Education

Birla Institute of Technology, Mesra, Patna Campus <i>Bachelor of Technology in Computer Science and Engineering</i>	Year of Completion: 2027 Current GPA: 8.8/10.0
N Saraswati Vidya Mandir, Ballia <i>CBSE</i>	Year of Completion: 2022 <i>Class XII - 85%</i>
N Saraswati Vidya Mandir, Ballia <i>CBSE</i>	Year of Completion: 2020 <i>Class X - 90%</i>

Work Experience

Defence Research and Development Organisation (DRDO) – SSPL <i>IT Intern (04 Dec 2025 – 02 Jan 2026)</i>	Dec 2025
- Created a self-contained Flask web platform that enables local analysis and visualization of research publication datasets, functioning entirely without network connectivity. - Developed comprehensive backend workflows to handle data management, retrieval, and insight generation, optimized for fully offline usage.	

Projects

Streamify <i>Node.js, MongoDB, React.js</i>	
- Built a full-stack chat and video calling application with real-time messaging. - Integrated one-on-one & group video calls with screen sharing and recording. - Implemented secure authentication using JWT with protected routes. - Developed using React, Express, MongoDB, Tailwind CSS, and Zustand for state management. - Deployed the application on Render for real-time access and seamless interaction.	
Portfolio Website <i>React.js, Node.js, CSS</i>	
- Developed a responsive Portfolio Website using React.js and TailwindCSS. - Deployed the website on Vercel for real-time access.	
Flipcom <i>HTML, CSS, JavaScript</i>	
- Developed a frontend for an e-commerce interface with product listing and cart management functionality. - Implemented client-side interactions using JavaScript, including adding/removing items, updating quantities, and displaying toast notifications. - Deployed the application on Render for seamless access and interaction.	

Skills

- Programming Languages:** C, C++, HTML, CSS.
- Frameworks & Libraries:** Node.js, React.js.
- Databases & Tools:** MongoDB, GitHub, MS Excel.
- Concepts:** Data Structures & Algorithms, Object-Oriented Programming (OOP), DBMS.

Achievements

- Secured Global Rank 782 in TCS CodeVita Season 13 Round 2, demonstrating strong problem-solving skills, algorithmic thinking, and competitive programming proficiency.
- Reached National Semi-Finals in Flipkart Grid 7.0, demonstrating strong problem-solving and technical innovation skills.
- Achieved Pupil (Max: 1262) rating on Codeforces.
- Awarded G.P. Birla Scholarship (Spring 2024 – Monsoon 2025).

Social Engagements and Positions of Responsibility

- Member:** Food & Management Team – Technika, BIT Mesra: Assisted in managing food services and hospitality during the annual technical festival.
- Volunteer at NSS, supporting community service and awareness activities.
